

## INFORMATION SHEET

Case No. & Country                      903320-01(MS/mk):    U.S.A.

Title of the Invention                      Ball Catching Tool

Assignee (Applicant)

|                |   |   |
|----------------|---|---|
| Name           | : | MIZUNO CORPORATION  |
| Address        | : | 1-23, Kitahama 4-chome, Chuo-ku,<br>Osaka-shi, Osaka, Japan |
| Representative | : | Akito MIZUNO<br>(Executive Vice President)                  |
| Nationality    | : | Japanese corporation  |

Inventors

- |     |             |   |   |
|-----|-------------|---|---|
| (1) | Name        | : | Ken MOTOOKA: engineer   |
|     | Address     | : | c/o Mizuno Industry Haga Co., Ltd.,<br>171, Doi, Yasuga-Aza, Haga-cho,<br>Shiso-gun, Hyogo, Japan |
|     | Nationality | : | Japanese citizenship  |
| (2) | Name        | : | Tamotsu DOI: engineer<br>(an employee of the applicant company,<br>MIZUNO CORPORATION)            |
|     | Address     | : | c/o MIZUNO CORPORATION, 12-35,<br>Nanko-kita 1-chome, Suminoe-ku,<br>Osaka-shi, Osaka, Japan      |
|     | Nationality | : | Japanese citizenship  |
| (3) | Name        | : | Masaki TERASHITA: engineer<br>(an employee of the applicant company,<br>MIZUNO CORPORATION)       |
|     | Address     | : | ditto   |
|     | Nationality | : | Japanese citizenship  |

Priority                      To be claimed on the basis of the following  
                                 one application:

Japanese Patent Application  
Serial No. 2003-204773  
filed July 31, 2003  
invented by: Ken MOTOOKA, Tamotsu DOI and  
Masaki TERASHITA  
filed by: MIZUNO CORPORATION

Date of Assignment

March 10, 2004
